

Wow! I'll say it again WOW!!!
What an amazing Fall Term we had!

How many daughters do you think Oregon initiated this term? Take a guess....we don't have the final number as of yet but to my knowledge over 25 new daughters were initiated. That's incredible and a big thank you goes out to you Daughters for bringing your friends into this fantastic organization.

If we can initiate this many girls in one the fall term, just think of what we can do during the Spring Term. Just think of what our membership would be like in June at Grand Session 2010!

Shall we make a goal for Spring Term???
How about 30 new daughters during the Spring Term?

YOU CAN DO IT !!!

We as a group can DO IT!!!

THE CHALLENGE STARTS NOW

Now...what if we reach our goal, hmmm.... Not only will each Bethel in Oregon have increased their membership but your Bethel will be healthier and closer to being out of reorganization. Now that's a goal for all of Oregon Job's Daughters!

How about an Ice Cream Social on Thursday evening at Grand Session 2010? **YES** - if Oregon Bethels initiate **30 NEW** daughters during Spring Term **we will** have an Ice Cream Party. There's one catch... each Bethel in Oregon has to help reach our goal by initiating at least one (1) new Daughter to their Bethel.

Your Promotion Committee is working extremely hard at bringing you some great new promotional materials. **USE THEM**, don't let them go to waste. Start planning your purple parties, open meetings.
