**Proposed Amendment to the Manual of Rules and Regulations of the Grand Guardian Council of Oregon**

Section(s) to be amended: **BYLAWS OF THE GGC OF OREGON  
ARTICLE V- FINANCES**

Section(s) currently read:

Fiscal Year

(a) The fiscal year of the GGC of Oregon shall be from June 1st to May 31st inclusive.

Section(s) proposed to read: *(The entire section must be submitted, as you propose to have it read.)*

Fiscal Year

(a) The fiscal year of the GGC of Oregon shall be from June 1st to May 31st July 1st to June 30th inclusive.

Reason for proposed change: *(Give a brief explanation of why this change is being recommended.)*

This amendment changes the fiscal year and would allow the GGC to have an operating budget in place prior to the conclusion of the current year's budget. Members would have the opportunity to review the entire budget before the beginning of the fiscal year. It also means that the GGC would not be operating without a budget during any period.

This change in fiscal year will match the Grand Guardian Council officer year. This would allow all of the revenues and expenses from one year to be tracked to the officers serving during that year.

It means that the Session Budget for the incoming Grand Guardian will be approved at the same session she is elected as Grand Guardian and will allow for better planning for Grand Session with the approved budget.

Submitted by: *(additional signatory lines may be added as needed)*
