## From GBHQ & MOJD

Hi all Daughters and adults! We hope you are all enjoying your new year.

This past month we have been very busy. We started out January with many Bethel Installations. We want to congratulate all of the newly installed officers and wish the incoming Honored Queens a great term! If you need any help please don't hesitate to give us a call. The JET team has also been fairly busy this month, bringing new daughters onto the team, making some presentations and revising the GB bylaws to get ready for March madness. We encourage all Daughters who are still interested or have any questions on the JET to please let us know. It is our hope that the daughters will continue to work hard on their ritual work this term, and strive to have no rituals on the floor during their meetings. We hope to attend many initiations this coming term, so let's bring those petitions in!

We look forward to seeing you all soon!

Jobie love,

Kristi Frazier

Leadership is about listening carefully, learning to understand the opposing point of view and working for the benefit of the greater good.

Oregon Job's **Daughters** are in a leadership role – developing their jurisdictions to emulate!

Dear Daughters,

March Madness promises to be an opportunity for you to take charge of the statewide youth programs for Oregon Job's Daughters. Take time to learn about the proposed changes for Grand Bethel and Miss Oregon before you come to March Madness! Visit the website. Call a JET member. Ask questions of your sisters.

The proposed bylaws, which will formalize the proposals of the Jobie Evolution Team will be posted by mid-February. Call a JET member with your questions or become a member of the FaceBook blog to talk about the proposals with other Jobies. Come to March Madness ready to share your opinion and to vote on changing your state programs to be what you want them to be in the future. The future is yours.... We encourage you to blaze the footsteps of leadership and experience a journey of a lifetime through Oregon's Grand Bethel led by Oregon's Daughters!

We are happy to announce a new spring term promotion. With your fantastic efforts to increase membership fall term, we have set a new goal for spring term and challenge you to bring 30 of your friends to join us! See Mrs. Coverdell's flier on this special challenge and special event. We have total confidence you will be eating sweet treats at Grand Session! Get those petitions in and investigated so that we can have a huge initiation at March Madness on the 6<sup>th</sup>.

We are looking forward to our visit with each Bethel this spring. If you have something fun planned, please let us know. We would love to join you at more than the formal meetings of official visitation!!! We love you and we'll see you all at March Madness!

**Wow! I'll say it again WOW!!!**  
What an amazing Fall Term we had!

How many daughters do you think Oregon initiated this term? Take a guess....we don't have the final number as of yet but to my knowledge over 25 new daughters were initiated. That's incredible and a big thank you goes out to you Daughters for bringing your friends into this fantastic organization.

If we can initiate this many girls in one the fall term, just think of what we can do during the Spring Term. Just think of what our membership would be like in June at Grand Session 2010!

Shall we make a goal for Spring Term???  
**How about 30 new daughters during the Spring Term?**

**YOU CAN DO IT !!!**

**We as a group can DO IT!!!**

## **THE CHALLENGE STARTS NOW**

Now...what if we reach our goal, hmmm.... Not only will each Bethel in Oregon have increased their membership but your Bethel will be healthier and closer to being out of reorganization. Now that's a goal for all of Oregon Job's Daughters!

How about an *Ice Cream Social* on Thursday evening at Grand Session 2010? **YES** - if Oregon Bethels initiate **30 NEW** daughters during Spring Term **we will** have an Ice Cream Party. There's one catch... each Bethel in Oregon has to help reach our goal by initiating at least one (1) new Daughter to their Bethel.

Your Promotion Committee is working extremely hard at bringing you some great new promotional materials. **USE THEM**, don't let them go to waste. Start planning your purple parties, open meetings.

***What can the Promotion Committee do to help you?***
