

# Fraternal Night

Hello,

My name is Crystal Armstrong. I am a member of Bethel #17 of Job's Daughters. We are having a fraternal night on March 17<sup>th</sup> during our St. Patrick's Day Dinner. This dinner starts at 7 p.m. at the Coos Bay Masonic lodge. The dinner will cost \$5 to attend. So that we may get to know you better as individuals and members of the Masonic community we would like one member from your order to speak in front of the collective audience.

This would entail you to talk a little about your order and what you do. Any fundraisers you do and you're philanthropic. We're interested in getting more involved in our Masonic community and would like to know any way we can help you in the future. That would include dinners we could serve, making a desert for after your meetings and much more. You could include any thing unique or special about your order and what you do in the community.

Thank you for all of your help and support. Bethel #17 hopes to see you there and enjoy the meal.

Sincerely,  
Bethel #17
