

## OREGON SUPREME RITUAL TEAM COMPETITION RULES

1. Entry form is to be filled out in person - not online. Before a Daughter competes the parents need to grant their daughter permission to attend Supreme unless there is an extreme emergency. The Daughter also needs to give their commitment that they will attend Supreme if they win a spot on the team.
2. Entries can be faxed, scanned, or snail-mailed to me. 307-532-3467 fax - attention to Marilyn Olson. E-mail [olsonmarilyn@yahoo.com](mailto:olsonmarilyn@yahoo.com) Entries will be verified with the parents or guardians.
3. A Daughter can try out for one or all messenger stations. We will pick the high scores for each station then we will also pick two alternates. These alternates must also be committed to attending Supreme. We will choose 7 members for the team. The first 5 will compete unless they become ill or something else prevents them from competing. In that case the 1<sup>st</sup> and 2<sup>nd</sup> alternates will be used as needed. Any rules or decisions concerning the Ritual Team during Congress will be adapted to this competition.
4. Try-outs will be open to any member of Job's Daughters who has been a member for one year prior to competition date of March 6, 2010.
5. Deadline for entries is 12:00 noon on March 6, 2010. It would be WONDERFUL if all applications were in my hands prior to that so we'd know approximately how much time to allow for try-outs, but it isn't mandatory.
6. "Supreme Ritual Team" practice times will be scheduled prior to Supreme Session. These will be at large statewide events so unnecessary travel can be minimized.
7. Winners will be announced later on in the March Madness Event.
8. Contestants should be prepared to compete in their robe/white cord according to official regalia rules in the bylaws.
9. Scoring will be as follows:
  - 50 points - memorization
  - 40 points - poise, diction, clarity, expression
  - 10 points - official regalia judging
