Greetings to Oregon Daughters and Adults,

As trying as it was for the last two years in Oregon with the charter and bylaws temporarily suspended we now can witness the mood swing is definitely optimistic now. Supreme Guardian Toni Underwood re-instated the Charter for Oregon's Grand Guardian Council at the Supreme Session in St. Louis! The bylaws that were approved in June at Grand Session were approved (with a few minor changes) by Supreme Jurisprudence. As soon as they have been proof-read for the final time by the Committee then they can be distributed for all to use. In the meantime, if you have any questions concerning Jurisprudence or bylaw issues please contact Rhonda Coverdell, GG, or the Chairman of Grand Jurisprudence, Robin Henderson.

Reinstatement of the charter could only have happened by everyone working together for the same purpose. There has been more focus on what needs to be done rather than who gets the credit. The jurisdiction has made significant strides in learning to get along with everyone and tolerating the differences inherent in all of us. I hope everyone remembers what can happen when a GGC does not work as a unit.

A big "standing O" goes to Kris Aanderud for two very busy and stressful years as Grand Guardian. Being a Grand Guardian for one year is hard enough - two years is above and beyond the call of duty!

It took her perseverance and hard work from many others to accomplish so much in a relative short time frame. Enjoy your time with your family, Kris. You've earned it!

There has been a shift in personnel as well. Lois Ann Sharp is the Assisting Supreme Deputy and I will remain as Supreme Deputy. Lynda Stone is now the Grand Treasurer.

Rhonda and Nick and the rest of the Executive Grand Guardian Council have a full slate of activities, meetings, official visits, fund-raisers, leadership and promotional events. Check the website and your email often and keep in touch with your local Bethels. Accurate communication is going to determine the success Oregon can have.

Remember to keep you CAV status up-to-date. Encourage other adults to acquire a CAV card so they can help the Bethels and learn how much fun we all have with the Daughters! Oregon desperately needs more adults for Bethel councils and for Grand Guardian Council offices!

I would hope that with the charter and bylaws back that the adults all need to remember that there is new leadership this year. There will be much less involvement from "Supreme" because your jurisdiction needs to function on its' own once again. Be

slow to criticize how things are done if "that's not the way we've always done it." GG Rhonda and her EGGC have lots of ideas and things they would like to try. Be open-minded and encouraging to all of them. Change is good and can be very beneficial. Tradition will still be important but new ideas might just be what is needed!

Way to go Oregon!! Now let's all get moving after a summer vacation and do all we can to add new members to the best organization for young women I know of - and let's try to get back those members we may have lost.

Sincerely,

Marilyn Olson, PSG
